

Academia Sinica - Barcelona Mini-Symposium 2014: Academia Sinica Delegates

Researcher	Research Interests	Brief Biography
 <p>Hsuan-Yu Chen, PhD Assistant Research Fellow hychen@stat.sinica.edu.tw</p> <p>Academia Sinica Institute of Statistical Science</p>	<p>Translational Medicine, Medical Big Data, and Bioinformatics</p> <p>Link</p>	<p>2007 PhD in Epidemiology, Graduate Institute of Epidemiology, National Taiwan University, Taiwan</p> <p>2007- 2008 Postdoc, Institute of Statistical Science, Academia, Sinica</p> <p>2008- present Assistant Research Fellow</p>
 <p>Trees-Juen Chuang, PhD Research Fellow trees@gate.sinica.edu.tw</p> <p>Academia Sinica Genomics Research Center</p>	<p>Bioinformatics, Comparative Genomics, Transcriptional Regulation, Systems Biology, Evolution, Genome Annotation</p> <p>Link</p>	<p>1998 Ph.D. in Computer & Information Science, National Chiao Tung University, Taiwan.</p> <p>1998-2003 Postdoc, Institute of Biomedical Sciences, Academia Sinica, Taiwan.</p> <p>2003-2007 Assistant Res. Fellow</p> <p>2007-2014 Associate Res. Fellow</p> <p>May 2014-present Research Fellow</p>
 <p>John Wang, PhD Assistant Research Fellow johnwang@gate.sinica.edu.tw</p> <p>Academia Sinica Biodiversity Research Center</p>	<p>Social Insect Behavior, Evolution, Genetics, and Genomics, Nematode Genome Evolution.</p> <p>Link</p>	<p>2002 Ph.D. in Developmental Biology Stanford University, USA.</p> <p>2003-2010 Postdoc, Department of Ecology and Evolution, University of Lausanne, Lausanne, Switzerland.</p> <p>2010-present Assistant Research Fellow</p>

Researcher	Research Interests	Brief Biography
 <p>Hsin-Hung Yeh, PhD Associate Research Fellow hyeh@sinica.edu.tw</p> <p>Academia Sinica Agricultural Biotechnology Research Center</p>	<p>Virology, Virus Evolution, High Throughput Functional Analysis of Genes in Plants</p> <p>Link</p>	<p>2001 PhD in Plant Pathology, University of California, Davis 2001-2002 Assistant Professor, Division of Biotechnology, Southern Taiwan University of Technology 2002 -2009 Assistant Professor, 2009-2013 Associate Professor, Dept. of Plant Pathology and Microbiology, National Taiwan University 2013-present Associate Research Fellow</p>
 <p>Jun-Yi Leu, PhD Research Fellow jleu@imb.sinica.edu.tw</p> <p>Academia Sinica Institute of Molecular Biology</p>	<p>Genome Evolution, Genetic and Non-Genetic Buffering, Molecular Mechanisms of Speciation, Experimental Evolution</p> <p>Link</p>	<p>1999 Ph.D. Department of Molecular, Cellular and Developmental Biology, Yale University, USA. 1999-2006 Postdoc, Department of Molecular and Cellular Biology, Harvard University, USA. 2006-2010 Assistant Research Fellow, Institute of Molecular Biology, Academia Sinica, Taiwan 2010-2013 Associate Research Fellow 2013-present Research Fellow</p>
 <p>Wen-Hsiung Li, PhD Director and Distinguished Research Fellow whli@gate.sinica.edu.tw</p> <p>Academia Sinica Biodiversity Research Center</p>	<p>Evolutionary genetics and genomics, Bioinformatics, Population genetics</p> <p>Link</p>	<p>1998-2012 James Watson Professor, Dept. of Ecology and Evolution, University of Chicago 2008-present Distinguished Research Fellow and Director</p>

Isheng Jason Tsai, PhD
Postdoctoral Fellow
ijtsai@gate.sinica.edu.tw

Academia Sinica
[Biodiversity Research Center](#)

Genome evolution of
eukaryotic pathogens,
Evolution of sex and
recombination rates
[Link](#)

2009 PhD. Department of Life Sciences, Imperial College London, UK.
2009-2012 Postdoc, Parasite Genomics group, Sanger Institute, UK
2012-2013 JSPS Fellow, FFPRI, Japan
2014-Present Postdoc, Biodiversity Research Center, Academia Sinica
