

III CRG Postdoc Symposium

June 14, 2012
PRBB Auditorium

Organizers: CRG Postdoc Committee

Keynote Speaker:

Suzanne Pfeffer, Stanford University
"Molecular Basis of Membrane Traffic"

Invited Speakers:

Iñaki Ruiz-Trillo, Institut de Biologia Evolutiva
"Origin of Multicellularity"

Javier Buceta, Parc Científic de Barcelona
"Theoretical and In Silico Modeling of Biological Systems"

Marcus Buschbeck, Institut de Medicina Predictiva i Personalitzada del Cancer
"Chromatin Organization and Cell Fate"

Postdoc Talks:

David Cruz Garcia (Cell & Developmental Biology)

Pedro Ferreira (Bioinformatics and Genomics)

Mireia Garriga (Systems Biology)

Alex Gomez-Marin (Systems Biology)

Marc Friedlaender (Genes & Disease)

Eric Kallin (Gene Regulation, Stem Cells & Cancer)

Cedrik Magis (Bioinformatics & Genomics)

Laure Saias (Cell & Developmental Biology)

Roni Wright (Gene Regulation, Stem Cells & Cancer)

Online registration:
