

STRATEGIC NETWORKING IN SCIENCE

Delivered by: Valeska Russo

APPLY NOW!!

Instructor: Valeska Russo

Date: 16th of May 2023

Time: 10:00-12:00

Location: Aula Room

PhD students and postdocs will be guided through an exercise to analyse their current network.

During the 2-hour workshop, the participants will:

- Analyse their current network
- Learn strategies to maintain and increase a network according to one's career needs
- Apply several networking activities during the workshop
